In keeping with its commitment to reflect Christ's values and abide by the Social Teaching of the Church and its own Mission and Vision Statement, the Wellington Catholic District School Board is committed to promote, advance and protect the just cause of the poor and the marginalized. Therefore the Board will seek assurances from suppliers who provide school apparel and physical education uniforms and, that such apparel is not produced in sweatshops but is manufactured under safe, just and healthy conditions that are equal to or better than the standards set by the United Nations International Labour Organization.
