

SECTION:	Facilities Development	APPROVAL DATE:
SUBSECTION:	Facilities Management	July 16, 1973
POLICY NAME:	Ice Rinks	LAST REVISED:
POLICY NUMBER:	P.FD.E.1	January 1, 1998

1.
 - a) Before the beginning of each winter the Director shall consult with the appropriate officials of the municipal recreation departments to co-operate with them in locating municipally operated ice rinks for public use.
 - b) Where the Director approves a request to locate such a rink on Board property the site shall be provided at no cost.
 - c) The Board shall accept the cost of the water but shall not accept any surcharge.
 - d) All other costs shall be borne by the municipality.
2.
 - a) A request from a principal to have an ice rink established on school property, for school use, shall be made to the Director.
 - b) Where such an ice rink is approved, the principal shall be requested to encourage community participation in its maintenance.
