POLICY NUMBER:	P.FM.G.3	October 5, 2009

The Wellington Catholic District School Board understands that schools and school councils wish to raise funds to enhance student programs and activities through raffle lottery. Any schools or school councils who wish to conduct a raffle with the intention of the raffle being open and advertised to the community a lottery license must be present on the day of the raffle.

If the above criterion is met the principal/parent council has to contact the board with the proper information.
