SUBSECTION:	School Building Administration	March 6, 2000
POLICY NAME:	Frigid Temperatures	LAST REVISED:
POLICY NUMBER:	P.GSA.E.16	March 6, 2000

The Wellington Catholic District School Board believes that the safety and well being of its students and staff are of paramount importance. During the winter months the temperature of the air when combined with the speed of the wind can result in frigid temperatures whereby exposed skin can freeze on contact. Since many of our students are required to walk significant distances to school or bus stop when the wind-chill factor is such that it is deemed dangerous the Director may order schools to be closed to students.
