POLICY NAME:	Outdoor Activities: Curricular, Intramural and Interschool	LAST REVISED:
POLICY NUMBER:	P.GSA.E.19	February 4, 2002

The Wellington Catholic District School Board recognizes that outdoor activities can have an educational value which enhances curriculum and promotes a safe, healthy and active lifestyle.

These outdoor activities include those which are components of the curriculum expectations for courses of studies, as well as those which are undertaken as part of an intramural or interschool program.

Provisions for safety are an integral part of the planning for these activities.
