SUBSECTION:	School Properties Disposal Procedure	May 10, 1999
POLICY NAME:	Alternate Arrangements for School Facilities	LAST REVISED:
POLICY NUMBER:	R.FM.M.3	May 10, 1999

1. GENERAL PROCEDURES

- 1.1 The arrangement must be cost effective and advantageous for the Board compared to other possible arrangements including an acquisition of a school site and the construction of a free standing building.
- 1.2 The arrangement shall comply with any guidelines issued by the Ministry of Education and Training.
- 1.3 The Board may enter into lease arrangements respecting school facilities intended to be used to accommodate peak enrolment, but shall not enter into such arrangements respecting school facilities that are necessary to accommodate long-term enrolment unless the arrangements could result in ownership at the Board's discretion.
- 1.4 The Board shall retain sufficient governance authority over the facility to ensure that it is able to deliver the appropriate educational program to its pupils, and to ensure that its identity, ambience and integrity are preserved.
- 1.5 The facility shall have a separate entrance with the school name on the exterior of the school easily visible from the street.
